Letter to
mobilitat@probens.org

What do we offer?

We are a social entity with over 38 years of experience in **Barcelona, Spain**.

You'll be able to join our different projects, which for some of them you'll be ***invited to travel with us!***

We work with flexible hours, we manage our own time and we work in a hybrid mode (up to 2 times per week at the office).

We are looking for someone who is interested in **social and environmental projects**. Currently to work with:

- YES-SI Project: ***Social innovation education for young people*** → we'll be designing the methodology + co-creation labs in Barcelona + website content
- TLN/IDA project: ***Internships abroad for young disadvantaged persons*** → we'll be organising the group sessions + designing and implementing social media.
