

Prof. Dr. (USA) Martin Dietzfelbinger

Short CV: Scientific education; previous and current positions held.

- 1983:** Diploma in Mathematics (with Computer Science as a Minor),
Universität München
- 1987:** Ph.D. in Computer Science
Department of Mathematics, Statistics, and Computer Science
of the
University of Illinois at Chicago (UIC)
Thesis: "Lower bounds on computation time for various models in
computational complexity theory"
- 1987 -
1992:** Scientific Assistant ("Hochschulassistent") at the Department of Computer
Science of the University of Dortmund, Germany,
and at the Department of Mathematics and Computer Science of the
University of Paderborn, Germany
- 1992:** Habilitation in Computer Science at the University of Paderborn, Germany
Habilitation Thesis:
"Universal hashing in sequential, parallel, and distributed computing"
- 1992:** University Lecturer („Hochschuldozent“) for Computer Science at the
University of Paderborn
- 1992 -
1998:** (Associate) Professor for Computer Science at the University of Dortmund
- 1998 -** (Full) Professor for Computer Science at the Faculty of Computer Science
and Automation of the Technische Universität Ilmenau
Head of the research group "Complexity Theory and Efficient Algorithms"
Director of the Institute of Theoretical Computer Science (since 2005)
