## ATTACH Dataset Request

(Annotated Two-Handed Assembly Actions for Human Action Understanding)

**Name of Applicant**

**Affiliated Organization**

**Purpose of Using the Dataset**

**Address**

**Telephone**

**E-Mail**

## Terms and Conditions of Usage

The Annotated Two-Handed Assembly Actions for Human Action Understanding dataset is publicly available for research purposes only. While every effort has been made to ensure the accuracy of this dataset, we cannot accept responsibility for errors or omissions. The research use of this dataset is free of charge. Any commercial distribution or act related to the commercial usage of this dataset is strictly prohibited. The distribution of this dataset to any parties that have not read and agreed to the terms and conditions of usage is strictly prohibited. Neither TU Ilmenau, nor any third parties who may provide information to us for the dissemination purpose, shall have any responsibility for or be liable in respect of the content or the accuracy of the provided information, or for any errors or omissions therein. The TU Ilmenau reserves the right to revise, amend, alter or delete the information provided herein at any time, but shall not be responsible for or liable in respect of any such revisions, amendments, alterations or deletions.

Any publication using the ATTACH dataset must cite this paper:
