

Partner universities worldwide

EUROPE			
Country	University	Exchange possibilities	Note
Austria	Technische Universität Graz	BA Electrical Engineering and Information Technology MA Electrical Engineering and Information Technology	
	Technische Universität Wien	BA Electrical Engineering and Information Technology, Mechanical Engineering MA Electrical Engineering and Information Technology, Mechanical Engineering, Communications and Signal Processing	
Bosnia and Herzegovina	University "Džemal Bijedić" of Mostar	different options	Erasmus stay possible
Bulgaria	Technical University of Sofia	BA Media Technology, Electrical Engineering and Information Technology MA Media Technology, Electrical Engineering and Information Technology	Erasmus stay possible
Croatia	University of Zagreb	BA Biomedical Engineering MA Mechanical Engineering	
	University of Split	different options	
Estonia	Tallinn Technical University	BA Computer Science, Computer and Systems Engineering, Automotive Engineering MA Computer Science, Computer and Systems Engineering, Automotive Engineering	Erasmus stay possible
Finland	Aalto University of Espoo	different options	Erasmus stay possible
	Lappeenranta-Lahti University of Technology	different options	Erasmus stay possible
France	Université de Lorraine	different options	Erasmus stay possible
	École Nationale Supérieure de Mécanique et des Microtechniques Besançon	BA Mechanical Engineering, Mechatronics, Industrial Engineering MA Mechanical Engineering, Mechatronics, Industrial Engineering	Erasmus stay possible, Double degree possible
	Université de Technologie de Compiègne (UTC)	BA Mechanical Engineering, Biomedical Engineering, Computer Science, Business Information Systems Engineering MA Mechanical Engineering, Biomedical Engineering, Computer Science, Business Information Systems Engineering	Erasmus stay possible, max. 4 exchange places per academic year
Greece	National Technical University of Athens	different options	Erasmus stay possible, max. 4 exchange places per academic year
Hungary	Budapest University of Technology and Economics	BA Mechanical Engineering MA Mechanical Engineering	Erasmus stay possible
Latvia	Universitāt Lettlands, Riga	different options	
Netherlands	Delft University of Technology	different options	
Poland	AGH University of Science and Technology Krakow	BA Electrical Engineering and Information Technology, Media Economics MA Electrical Engineering and Information Technology, Media Economics, Micro- and Nanotechnologies	Erasmus stay possible
	Jagiellonian University of Krakow	BA Applied Media and Communication Studies MA Electrical Engineering and Information Technology, Media Economics	Erasmus stay possible
	Nicholas Copernicus University Torun	BA Biotechnical Chemistry MA Elektrochemistry and Electroplating	
	Technical University Gdansk	BA Electrical Engineering and Information Technology MA Electrical power supply	Erasmus stay possible
	Warsaw University of Technology	BA Computer and Systems Engineering MA Computer and Systems Engineering	Erasmus stay possible
	Wroclaw University of Science and Technology	different options	Erasmus stay possible
	Technical University of Szczecin	different options	
Romania	"Transilvania" University of Brasov	BA Electrical Engineering and Information Technology MA Electrical Engineering and Information Technology, Electrical Power and Control Engineering	Erasmus stay possible
	Universitatea "Stefan cel Mare" of Suceava	different options	Erasmus stay possible
Serbia	University of Niš	BA Electrical Engineering and Information Technology MA Electrical Engineering and Information Technology	Erasmus stay possible
Slovakia	Slovak University of Technology Bratislava	BA Electrical Engineering and Information Technology MA Electrical Engineering and Information Technology, Micro- and Nanotechnologies	
	Pavel Josef Safárik University Kosice	BA Mathematics MA Mathematics, Business Mathematics	Erasmus stay possible
	Comenius University Bratislava	different options	
Spain	Universidad Miguel Hernández de Elche	BA Media economics MA Media economics	Erasmus stay possible
	Universidad de Málaga	different options	Erasmus stay possible
Switzerland	European Organization for Nuclear Research (CERN)	different options	
Türkiye	Türkisch-Deutsche Universität	different options	Erasmus stay possible
Ukraine	National Technical University of Ukraine "KPI" Kiev	BA Mechanical Engineering MA Mechanical Engineering	
	National Taras Shevchenko University of Kyiv	BA Biotechnical Chemistry MA Electrochemistry and Electroplating	
	State University "Lviv Polytechnic" Lviv	BA Mechanical Engineering MA Mechanical Engineering	
	Ivan Franko National University Lviv	BA Media economics MA Media economics	

	National University "Zaporizhzhia Polytechnic"	BA Computer Science MA Computer Science	
United Kingdom	University of Leeds	different options	

America

Country	University	Exchange possibilities	Note
Argentina	Universidad Tecnológica Nacional Buenos Aires, Córdoba	BA: Mechanical Engineering, Mechatronics, Electrical Engineering and Information Technology MA: Mechanical Engineering, Mechatronics	
Brasilia	Universidade de Brasilia	BA Mechanical Engineering, Mechatronics, Computer Technology, Energy Technology MA Mechanical Engineering, Mechatronics, Computer Technology, Energy Technology	max. 4 exchange places per academic year
	Universidade Federal de Minas Gerais, Belo Horizonte (UFMG)	BA Mechanical Engineering, Mechatronics, Mathematics, Applied Media and Communication Studies MA Mechanical Engineering, Mechatronics, Media economics, Chemical Engineering, Information Science, Media and Communication Science, Manufacturing and Production Engineering	max. 6 exchange places per academic year
	Universidade Federal do Ceará	different options	
	Universidade Regional de Blumenau	BA Electrical Engineering and Information Technology, Biomedical Engineering, Computer Science MA Electrical Engineering and Information Technology, Electrical Power and Control Engineering	max. 4 exchange places per semester
	Universidade Federal De Santa Catarina	different options	
Colombia	Universidad Nacional de Colombia	BA Electrical Engineering and Information Technology MA Electrical Engineering and Information Technology, Electrical Power and Control Engineering	max. 5 exchange places per academic year
Canada	Université de Sherbrooke, Québec Vancouver Island University (VIU)	different options different options	
Cuba	Cuban Neurosciences Center Havana	different options	
Peru	Pontificia Universidad Católica del Peru, Lima (PUCP)	BA Materials Science and Engineering, Mechanical Engineering, Mechatronics, Computer Science, Technical Cybernetics and Systems Theory MA Materials Science and Engineering, Mechanical Engineering, Mechatronics, Computer Science, Technical Cybernetics and Systems Theory	double degree possible, max. 4 exchange places per academic year
USA	University of Central Florida, Orlando	different options	
	University of North Carolina Wilmington	different options	reduced tuition fees
	Westcliff University, Irvine	different options	reduced tuition fees
	St. Francis College, New York	different options	reduced tuition fees

Asia

Country	University	Exchange possibilities	Note	
China	Dalian University of Technology	different options		
	Northeastern University, Shenyang	BA Mechanical Engineering MA Mechanical Engineering		
	Qingdao University of Science and Technology, Qingdao	BA Economics and Management, Science and Technology MA Economics and Management, Science and Technology		
	Xi'an Jiaotong University, Xi'an	different options		
	Tianjin University, Tianjin	BA Mechanical Engineering MA Mechanical Engineering	max. 6 exchange places per academic year	
	Xi'an University of Technology, Xi'an	different options		
	Tongji Zhejiang College (of Tongji University), Jiaxing City	different options	double degree possible	
	Tongji University, Shanghai	BA Industrial Engineering and Management, Biomedical Engineering MA Industrial Engineering and Management, Biomedical Engineering	double degree possible, max. 4 exchange places per academic year	
	Zhejiang University, Hangzhou	BA Computer and Systems Engineering MA Computer and Systems Engineering, Research in Computer and Systems Engineering		
	Xidian University, Xi'an	different options		
	University of Electronic Science and Technology of China, Chengdu	different options		
	China Jiliang University	different options		
	India	Birla Institute of Technology and Science	different options	
		Indian Institute of Technology, Delhi	different options	
Indian Institute of Technology, Guwahati		BA Computer Engineering , Mathematics, Mechanical Engineering, Bioengineering, Chemical Engineering, Electronics, Physics MA Computer Engineering, Mathematics, Mechanical Engineering, Bioengineering, Chemical Engineering, Electronics, Physics	max. 4 exchange places per academic year	
Indian Institute of Technology, Madras		BA Electrical and Information Engineering, Biotechnological Chemistry, Computer Engineering, Computer Science, Biomedical Engineering, Technical Physics, Materials Science MA Electrical and Information Engineering, Electrical Power and Control Engineering, Electrochemistry and Electroplating, Computer Engineering, Computer Science, Biomedical Engineering, Technical Physics, Materials Science, Mathematics, Business Mathematics	max. 4 exchange places per academic year	
Indian Institute of Technology Ropar		BA Biotechnical Chemistry MA Biotechnical Chemistry	max. 4 exchange places per academic year	
Hindustan Institute of Technology and Science, Chennai		different options		
Indian Institute of Technology Bombay		different options		
International University Liaison Indonesia (IULI)		different options	double degree possible	

Indonesia	University Atma Jaya Yogyakarta	BA Industrial Engineering, International Business Management MA: Industrial Engineering, International Business Management	Erasmus stay possible, double degree possible
	Universitas Pelita Harapan	BA Applied Media and Communication Studies MA Media and Communication Science	
	Padjadjaran University	BA Applied Media and Communication Studies MA: Media and Communication Science	
	Universitas Indonesia	different options	
Iran	Islamic Azad University, South Tehran Branch	BA Computer Science, Mechanical Engineering, Biomedical Engineering, Electrical Engineering, Energy Technology, Basic Mathematics, Telecommunications, Chemistry, Engineering Physics	
		MA Mathematics, Computer Science, Biomedical Engineering, Electrical Engineering, Energy Engineering, Mechanical Engineering, Industrial Engineering, Media and Economics, Biochemistry, Chemistry, Nanophysics	
Japan	Kanto Gakuin University	different options	
	Kyoto University	different options	
Jordan	German Jordanian University	BA Computer Science, Electrical Engineering, Mechanical Engineering, Mechatronics, Wirtschaftsingenieurwesen, Biomedical Engineering, Biotechnical Chemistry, Management	max. 4 exchange places per academic year
		MA Renewable Energy Technology, Computer Science, Business Administration	
Kyrgyzstan	Kirgisch-Staatliche Technische Universität Bischkek	different options	double degree possible
Kazakhstan	Satbayev University	different options	
Malaysia	Universiti Teknologi Malaysia, Skudai	BA Biomedical Engineering, Electrical Engineering and Information Technology, Computer Science, Computer Engineering, Mechanical Engineering, Mechatronics	erasmus stay possible, double degree possible, max. 5 exchange places per academic year
		MA Biomedical Engineering, Electrical Engineering and Information Technology, Computer Science, Computer Engineering, Mechanical Engineering, Mechatronics, Electrical Power and Control Engineering, Communication and Signal Processing, Research in Computer and Systems Engineering	
	Asia Pacific University of Technology & Innovation	different options	reduced tuition fees
Mongolia	Mongolian University of Sciences and Technology, Ulaanbaatar	BA Engineering Informatics	
		MA Engineering Informatics, Research in Computer and Systems Engineering	
Pakistan	National University of Science and Technology (NUST)	different options	
Philippines	Ateneo de Manila University	BA Applied Media and Communication Studies	max. 1 exchange place per academic year
		MA Media and Communication Science	
South Korea	Myongji University, Seoul	other options	max. 2 exchange places per semester
		different options	max. 5 BA exchange places per academic year
Syria	Aleppo University	different options	
	National Taipei University of Technology (Taipei Tech)	different options	
Taiwan	National Yunlin University of Science & Technology (YunTech)	different options	max. 4 exchange place per academic year
	National Formosa University Yunlin University	different options	
	National Taiwan University, Taipei	different options	
Thailand	King Mongkut's University of Technology North Bangkok	BA Mathematics	double degree possible
		MA Business Mathematics	
Uzbekistan	Turin Polytechnic University in Tashkent	different options	
	University of Management and Future Technologies	different options	
	New Uzbekistan University	different options	
Vietnam	Vietnamese-German University	BA Mechanical Engineering, Electrical Engineering, Computer Science, Business Administration	max. 4 exchange place per academic year
	Ho Chi Minh City University of Technology Hanoi	MA Computer Science, RCSE, Materials Science, Mechatronics, Business Administration	
	Vietnamese Academy of Science and Technology Hanoi	different options	

Africa			
Country	University	Exchange possibilities	Note
Algeria	Université Ferhat Abbas, Sétif	BA Technical Physics, Economics	max. 4 exchange place per academic year
		MA Technical Physics, Economics	
Egypt	Zewail City of Science, Technology and Innovation	BA Nanotechnology Engineering, Renewable Energy Engineering, Communications and Information Engineering, Biomedical Sciences, Materials Science	
		MA Environmental Engineering, Biomedical Sciences, Physics, Mathematics	
Rwanda	African Institute for Mathematical Sciences Rwanda, Kigali	different options	
Tunisia	Université de Sousse	BA Electrical Engineering and Information Technology	
		MA Electrical Engineering and Information Technology
