SCIENTIFIC CAREER

October 1989 - February 1995	Studies of physics, RWTH Aachen University
October 1993 - October 1994	Diploma thesis, Chair E of Theoretical Physics
February 13, 1995	Diploma
May 1995 - May 1998	Research associate, Research Center Jülich
May 7, 1998	Ph. D. defense
June 1998 - July 1999	Research associate, Institute of Physics, University of Zürich
August 1999 - June 2000	Research associate, Synchrotrone ELETTRA, Trieste
July 2000 - November 2004	Assistant professor (C1), Institute of Experimental and Applied Physics, University of Kiel
May 2001	Guest researcher, Chemistry Institute, University of Florence
February 16, 2004	Habilitation
December 2004 - February 2010	Assistant professor (C2), Institute of Experimental and Applied Physics, University of Kiel
since March 1, 2010	Professor (W3), Institute of Physics, Technical University of Ilmenau
October 2015	Teaching Prize of the University
September - December 2017	Sabbatical, Institut de Physique et Chimie des Matériaux de Strasbourg
April 2023	Thuringian Research Prize for Research in Fundamental Physics
