## **ENGINEERING DAY „FuturING“ WITH YOUNG SCIENTISTS CONFERENCE**

This year's Engineering Day at Nordhausen University of Applied Sciences will take place on June 28, 2023, under the topic „FuturING“. Parallel to interesting contributions from research and education, a conference for young scientists will be held. Here young researchers (master's students, doctoral candidates) can present their projects via a poster presentation. The best works will be honored at the end of the event.

We are looking forward to receiving contributions in the form of an abstract (maximum 2 pages) electronically not later than **April 30, 2023** to:  
**Eva.Knahl@hs-nordhausen.de**
