

Best Paper Award

DFG Research Training Group 1567 on
Lorentz Force Velocimetry and Lorentz Force Eddy Current Testing

Best Paper 2015

The Research Training Group (RTG)
Lorentz Force Velocimetry and Lorentz Force Eddy Current Testing

sponsored by the Deutsche Forschungsgemeinschaft DFG

is happy to award the

Best Paper 2015

in the category "Peer Reviewed Journals"

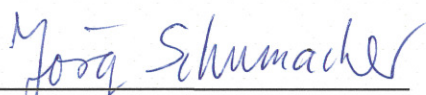

to

"Direct Lorentz force compensation flowmeter for electrolytes"

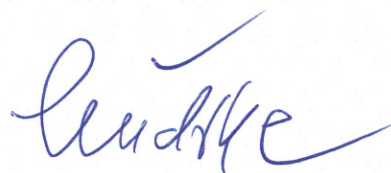

Suren Vasilyan et al.

Applied Physics Letters 105, 223510 (2014); doi: 10.1063/1.4903235

Congratulations!
